What a great day we are having today! My cousin Anastasia arrived this morning. She's from Brazil, like mum. They live there from 1998.

She's got long brown hair and very nice brown eyes and she speaks English and French very well. In her free time she likes swimming and she's learning to play tennis which is great because I love swimming and tennis too.

We talked and laughed all day and spent three hours in Zoo. We both love exotic animals. Anastasia wants me to go to Brazil with her. I want to go, too. Mum and dad say it's OK so now I'm saving every penny! Anastasia is in bed now and I feel very tired but very excited too!

I hope we are going to have a nice day tomorrow.
